## SPD Projects

*Digital Typography:*

Elisa Ardeni

*Idea:*

Create layouts for the website selling luxury and unique items. The main focus is on the typography.

The whole project has art direction strategy related to keep the identity of the brand.

*UX Design:*

Marco Catani

*Idea:*

Mobile app for the ATM is the final product of the UX design course. Create an app related to the UX theory. It is functional and informative app allows users to buy tickets in different ways. The app is designed with the UX logic.

*Digital Art Direction:*

Andy Scupelli

*Idea:*

Design strategic function for Bulgari brand. The idea is to improve online relations between the brand and clients. The online feature is created which is a part of the Bulgari website.
